Coperion Middle East Change Order Quotation No.: CMES-0642. QSM10199.COP-01

Dear Mr. Faiq,

Referring to the above mentioned subject we hereby sending you our Change Order request proposal for Special Tool – Cable Induction Heater on Rental Basis for Extruder Motor Overhauling..

Pos.	Description		Total Price	Remarks
A	Special Tool – Induction Heater	Rental Period – Oct - 2022	€ 5,000.00	Fixed Price
B	Screw Assembly at CME Workshop	3 days – 2 Engineers	€ 12,000.00	If proposed days Exceeds, additional days of service will be on chargeable basis as per agreed unit contract rates
Total Change Order Value (excl. VAT)			€ 17,000.00	

Basis for the Change Order request:

As requested by client, following additional scope of supply and services to be included in the existing PO.

* A - Supply of the special tool – Induction heater for removal and reinstallation of the hubs.
Rental Basis for Oct 2022, Max 4 weeks.

* B - Screw Assembly at CME Workshop - 3 days – 2 Engineers.

The quoted price for the screw assembly at CME workshop is fixed price for 3days service for 2 engineers, in case If proposed days Exceeds, additional days of service will be on chargeable basis as per the agreed unit contract rates agreed against the timesheet.

Remarks:

The quotation is issued based on the assumption that the preassembly is expected to be under supervision of Service engineer from CME (Coperion Middle East, Jubail, KSA). Therefore, only mobilization charges is not considered. In case of non-availability of engineers at CME, deputation might be required from EU/US nations and accordingly a full roundtrip charges and daily allowance will be applicable as per the agreed unit rates.

Tentative Schedule:

Estimated Total No. of Days – approx. 3-5 Days
1 Shift/Day, 10 Hours/Shift, 5 Days/Week, Sunday to Thursday

Mobilization	Sunday	Mobilization of New Screw Shafts & Screws to CME
